

Day&Night

SOFA BED SERIES

Day&Night

This is a great optical illusion. You are actually looking at two separate beds, two duvets, two pillows and two mattress toppers without seeing them.

UPHOLSTERY Loose seat mattresses and back cushions. Both with removable covers. Seat mattresses 2 x 80 mm, including 30 mm viscoelastic foam in both mattresses. A duvet, pillow and a mattress topper per person are packed inside the backrest cushions. All included in the price.

FRAME Oak, waxed. Slatted bed base made from pine. Structural elements from birch veneer.

ARM REST Placement holes for additional wooden armrests are pre-drilled into the frame. Additional wooden armrests are sold separately and can be attached to either end of the sofa or both.

FUNCTION Two separate stacking seating frames. Bed size 2 x 90 x 200 cm. Can be used as one double bed or two single beds. Mattresses can be separated by zipper.

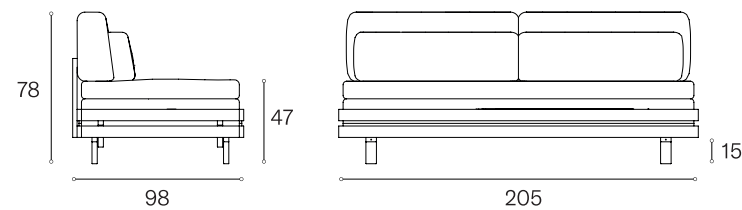

Materials

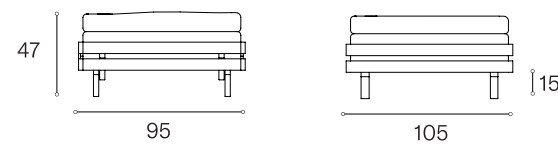

The very best functionality,
very well hidden.
