

# Front Wood

TABLE

---

## Front Wood

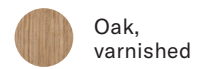

Wood has been used for thousands of years for making furniture. This table is a long-lasting choice.

**TABLE TOP** 28mm solid oak, varnished top. Two planks with 5mm gap. The 200cm long table has a choice of two leg attachment options – if assembled inward there is an additional seating place at the ends of the table.

**LEGS** Turned solid oak with metal tube support, powder-coated in satin black.

**ADDITIONAL INFORMATION** Table top and legs packed separately.

### Materials

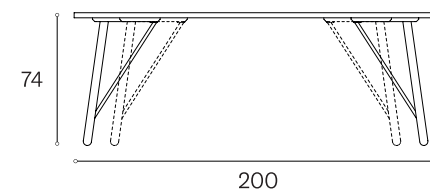

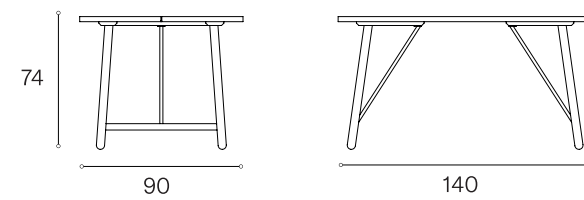

Oak,  
varnished

Metal,  
painted black
