# Limi

If you could chat with anyone, past or present, sitting on this Limi chair, which colour would you pick?

**SEAT** The seat of the chair consists of two laminated plywood elements that are glued and interlocked. Material options: Natural oak, black or white painted birch.

**LEGS** Black or white painted, also available in chrome plated by order. Glide caps with felt, colour matched with legs.

## Chair

Sitting is not  
good for us,  
so at least let's  
do it with style.
